

HOSPITALITY RIDER – THE REFLEX

Thank you for hosting The Reflex – a tribute to Duran Duran! To ensure the best possible performance and experience for both the band and the venue, we kindly request the following hospitality accommodations:

BEVERAGES & REFRESHMENTS FOR 8 PEOPLE

- **Bottled water** (room temperature preferred)
- **Sugar-free energy drinks** (Red Bull or Monster, preferred)

FACILITIES & COMFORT

- **Clean towels** (for stage use)
- **Talent-only bathroom access** (private or designated restroom for band use)
- **Private dressing area with mirrors** (for wardrobe, preparation, and relaxation before and after the performance)

MEALS & COMPENSATION

- **Meal compensation or vouchers** (for all band members + 2 crew, either via a pre-show meal, venue vouchers, or per diem)

BACKSTAGE TECHNICAL REQUIREMENTS

- **Adequate electricity and power outlets** for instruments, laptops, and personal gear

We appreciate your attention to these details, as they help us deliver the best performance possible. If there are any concerns or adjustments needed, please let us know in advance so we can coordinate accordingly.

Looking forward to a great show!

NO MONITOR WEGDES PLEASE. The Reflex runs it's own IEM system. ALL stage audio runs to the designated IEM system inputs (including house provided cables for three mics.) e-drum connections are the exception as they are routed VIA drummer provided snake directly to FOH bypassing IEM inputs.

The Reflex runs synchronized high-resolution video content throughout the show and requires an HDMI or DVI connection to keys world for the house video system.
